ELIGIBILITY

- ❖ All submissions must be projects which have been designed since January 1, 2011. AIA Long Island Chapter Members may submit projects on Long Island or elsewhere. Architects who are not AIA/LIC members may only submit projects that were designed for and/or constructed on Long Island (Nassau and Suffolk Counties).
- ❖ The annual AIA Long Island Chapter Design Awards Program recognizes excellence in architectural design by Long Island Architects and/or Long Island projects.
- ❖ The program's goal is to increase awareness of today's outstanding architecture and to honor the architects, clients, and consultants who work together to create these projects.
- ❖ Previous Archi Award winning submissions are not eligible in any award category.
- ❖ Please specify category, name and location of the project on each registration form.
- ❖ Please use a separate registration form for each project submitted.

RULES AND REGULATIONS

1. Entrants give AIA Long Island Chapter permission to reproduce their submission without restriction.
2. No royalties shall be payable by AIA Long Island Chapter or any other sponsors for use of the submission entry materials.
3. Entrants verify that all information provided on the Registration Form is true and their submission is subject to disqualification in the event that it is found that any information has been falsified.
4. For all categories, all entrants and teams must have at least one registered Architect (the Architect of Record) in order to submit. Associate members are able to submit without a registered architect only for the unbuilt category for competition related projects.
5. Entrants affirm that they are sole owner of the materials identified in the submission entry, that each submitted entry is an original work, and that neither these materials nor the permission granted hereby infringes upon the ownership, copyright, trademark, or rights of others.
6. All deliverables become property of AIA Long Island Chapter.
7. All entries must be submitted without identifying marks, including logos, texts, insignia, or images that could be used to identify the submission's author(s).
8. All submissions must be projects completed since January 1, 2011.
9. Previous Archi Award winning submissions are not eligible in any award category.
10. Unbuilt projects are eligible only when a Client is named.
11. Each project is considered as a separate entry and a separate entry fee must be paid for each. Multiple designs will not be considered as a single entry.
12. Entrants must identify the project category under which they are submitting.
13. The jury is not required to give awards for each category.
14. The selection of the jury is determined by the Archi Awards Committee and will be approved by the Board of Directors.
15. The award process will be based on a point system executed by the jury. A project must achieve the minimum points required to receive an award for each category.
